

6th International Conference on Advanced Computational and Communication Paradigms 2027

Chief Patrons

- **Prof. (Dr.) K Ramnarayan**,
Hon'ble Pro Chancellor, SMU, Sikkim, India
- **Prof. (Dr.) G K Prabhu**,
Hon'ble Vice Chancellor, SMU, Sikkim, India

Patrons

- **Prof. (Dr.) Muralidhar V Pai**,
Pro Vice Chancellor, SMU, Sikkim, India
- **Prof. (Dr.) Karma Sonam Sherpa**,
Registrar, SMU, Sikkim, India
- **Prof. (Dr.) Savitha G. Kini**,
Director, SMIT, Sikkim, India
- **Prof. (Dr.) Kalpana Sharma**,
Director, Directorate of Research (DoR), SMU

University Advisory Committee

- **Prof. (Dr.) Sangeeta Jha**, Joint Director, SMIT
- **Prof. (Dr.) Chandrashekhar Bhuiyan**, Associate Director (Research), SMIT
- **Prof. (Dr.) Biswaraj Sen**, Associate Director (Academics), SMIT
- **Prof. (Dr.) Bikash Sharma**, Associate Director (Placement and Alumni Relation), SMIT
- **Prof. (Dr.) Chingtham Tejbanta Singh**, CEO, AIC, SMUTBI
- **Prof. (Dr.) Pankaj Chettri**, Associate Director (SA), SMIT

General Chair

- **Prof. (Dr.) Udit Kr. Chakraborty**, Dept. of CSE, SMIT

Convenor

- **Dr. Samarendra Nath Sur**, Dept. of CSE, SMIT

Co-Convenor

- **Dr. Ashis Pradhan**, Dept. of CSE, SMIT
- **Dr. Vikash Kumar Singh**, Dept. of CSE, SMIT
- **Dr. Bijoyeta Roy**, Dept. of CSE, SMIT

About The Event

The 6th International Conference on Advanced Computational and Communication Paradigms (ICACCP-2027) will be held during 8th – 10th April, 2027 at SMIT, Sikkim, India. Started in 2017, it has been conducted biennially ever since. The current edition will cover all aspects of algorithmic and communication paradigms including but not limited to Advanced Computation, AI Applications, Block Chain and Cyber Security, Internet of Things etc. Publications of ICACCP is assured by Springer (Applied for).

About Department

The **Department of Computer Science and Engineering (CSE)** was established in 1997. It offers three categories of academic programmes, namely B.Tech, M.Tech. and Ph.D. in Computer Science and Engineering. With an AICTE-sanctioned intake of 420 students for B.Tech. and 12 students for M.Tech. in CSE, the Department is home to more than 900 students. The Department was recently reaccredited by the National Board of Accreditation (NBA). The Department has established strong industry-institute interaction with reputed industries, and various academic, technical and professional activities are regularly organized for the benefit of faculty members and students. It is equipped with nine state-of-the-art laboratories, and a CoE on Blockchain in association with Information Data Systems (IDS), Hyderabad. The Department has an outstanding placement record and possesses expertise in diverse areas, including Cybersecurity, Artificial Intelligence, Machine Learning, Data Science, Data Analytics, Robotics, Natural Language Processing and Nanocomputing. Faculty members from the department have multiple sponsored projects from agencies like AICTE, DST etc.

About The Institute

Established in the year 1997, **Sikkim Manipal Institute of Technology (SMIT)** is picturesque college located in the bank of river Teesta about 5 kms from the Bengal-Sikkim border. It is a constituent college of Sikkim Manipal University which offers a plethora of courses in the field of Engineering, Basic Sciences, Computer Application and Management. SMIT is one of India's premier technology and management institute. Spread across 35 beautifully landscaped acres, the campus is home to over 3500 students, 150 members of faculty and a large and efficient team of support staff. SMIT is accredited by AICTE and NAAC A+. It is also ISO 9001 certified. SMIT ranked AAA+ by Careers 360. The departments of Computer Science & Engineering, Civil Engineering and Computer Applications have been accredited by NBA for a period of 3 years. There are numerous sponsored research projects funded by various agencies like DOE, ISRO, DST, DBT, DRDO, AICTE, etc. The institute also hosts Atal Incubation Centre supported by NITI Aayog. Major global companies like Microsoft, Dell, Ericsson, Amazon, Bosch, Capgemini, Shell, etc. visit SMIT for campus recruitment.

Shortlisted papers will be published in collaboration with Springer (Applied for).

Call for Papers ICACCP-2027 invites the submission of original and high-quality research papers. Researchers and practitioners are encouraged to submit their work in areas but not limited to:

- Natural language Processing
- Computer vision
- Generative Artificial Intelligence
- Big Data and Data Analytics
- Block Chain and Application
- Artificial Intelligence for Business and Fintech
- Artificial Intelligence in Electric Vehicle (EV)
- Software Engineering
- Cyber Physical Systems-IoT and Service oriented Computing
- Computational Social Sciences
- Cloud Computing
- Artificial Intelligence and Ethics
- Speech and Signal Processing
- Human Computer Interaction (HCI) and Robotics
- Educational Technology
- Secure Communications
- 5G/6G Wireless Communication
- Non-Terrestrial Networks (NTN)
- Optimization Algorithms
- Biomedical Image and Signal Processing
- Renewable Energy Systems
- Industry 5.0
- Application of Nonlinear Dynamics in Computer Science and Engineering
- Quantum Computing and Quantum Algorithms
- Robotics and Autonomous Systems
